## CHW Partners with 2 for Seder to Push Back on Anti-Semitism with Love and Matzah

Toronto, ON- Canadian Hadassah-WIZO (CHW) is delighted to announce a partnership with 2 for Seder, created by Pittsburgh Idea Evolutions (PIE), an emerging non-profit based on the idea that every Canadian and American Jew can and should be involved in pushing back against anti-Semitism.

This annual North American initiative encourages anyone holding a Seder to invite two non-Jewish friends or acquaintances who have never attended one to participate.

2 for Seder was created by a family member of Canadian-born Joyce Fienberg, one of the 11 people who lost their lives at the Tree of Life in Pittsburgh, PA on October 27, 2018. This initiative addresses the ignorance that forms the foundation of anti-Semitism and intolerance. Along with 2 For Seder and Hadassah Women's Zionist Organization of America (HWZOA), CHW is helping to make this initiative Canada-wide with the goal of inspiring 200 participants to build bridges and promote peace and coexistence this Passover.

CHW supporters will open their homes and have someone new take part in their Jewish practice, which will directly fight biased attitudes and general ignorance – the seed of anti-Semitism. Together, we can push back against anti-Semitism with Love and Matzah. By setting two extra places at the table and making a few more matzah balls, we can all take part in the ongoing and critical battle to reduce anti-Semitism.

**Registration opens next week.** This initiative is free to participate and is very easy to support. Invite your friends, take some photos or videos of everyone having a great time together, and then share your experience with CHW! Canadian Hadassah-WIZO (CHW) is a non-political, non-partisan national network of dedicated volunteers and professionals who strongly believe that the advancement of childcare, education, healthcare, and women's issues transcends politics, religion and national boundaries.
